COMPLETE PLOT PLAN DRAWING ON ATTACHED SHEET

PLOT PLAN

1. This page shall be used for the drawing of a site plan for all major construction and in such other cases.
2. This site plan shall show the location and size of the lot, locations and sizes of the buildings and structures upon the premises (both existing and proposed) and their relationship to adjoining premises and public area.
3. Locate and label clearly and distinctly all buildings and structures, show widths and depths of all yards, show names of all roads and indicate north with a north arrow.
4. If the principal building or structure is to be served by an on-site sewage disposal system, a sketch of the system must be shown.
5. Show location and layout of off-street parking and/or loading and report number of spaces.
